

Nick Garreffa

My name is Nick Garreffa and I would like to serve on the Arrowhead board. I have been a lot owner since 2003. I also have a farm in Olathe Co.

I have always been community minded where ever I live. I am currently on both the Arrowhead Volunteer Fire Department and on the board of the Arrowhead Fire District. I am also a Captain at the Poverty Creek Fire Department, New Mexico, where I spend the winter.

I am also a small business owner that serves the needs of the Arrowhead Community.

I would like to be on the Board at Arrowhead and be a voice of the people. I would also like to see a sense of community on the mountain that has been dwindling over the last few years.

Please seriously consider me as a replacement Board member.

Sincerely,

Nick Garreffa
